

# DISC GOLF AS A MINISTRY TOOL

## ESTABLISH A MISSION FOR YOUR COURSE

- Public
- Private, but allow events
- Private

Disc golf provides an excellent opportunity to build relationships. Unlike other sports and recreational activities where a majority of the time is spent running, throwing, catching, or jumping, disc golf affords participants the opportunity between throws to get to know the folks you are playing with. It is so much easier to get to know someone walking between disc golf shots than doing something like hitting tennis balls back and forth across a net!
